Detour Information for the San Mateo Hayward Bridge Full Weekend Closures

Detours for the weekend of May 8-11 & May 22-25

Alternate routes for motorists have been identified to provide multiple ways for motorists to reach their destinations during the full-weekend closures. Motorists will be rerouted to the Bay Bridge (Interstate 80), the Dumbarton Bridge (State Route 84), or State Route 237, the southern route through Santa Clara County. Notification CMS (changeable message signs) signs will be posted and clearly visible at many locations in the Bay Area.

In the eastbound direction (Foster City) the on-ramps from Edgewater Boulevard and Metro Center Boulevard will be closed. In the westbound direction (Hayward) the on-ramps from Industrial Boulevard and Clawiter Road will be closed. All off-ramps will remain open. Mainline traffic will be forced to exit eastbound 92 at Foster City Boulevard and westbound 92 at Clawiter Road.

***NOTE:** Motorists will be able to travel up to the westbound off-ramp at Clawiter Road, and as far as the eastbound off-ramp at Foster City Boulevard during the closures.*

Emergency crews will have access to the bridge in the event of an emergency.
